Dear Susan, Whittier & Mario,

Thank you so much for repairing our lunette which is used in our monstrance on our Rachel's Vineyard Retreats.

We really appreciate your taking the time out of your day to repair it at no charge to us. It is a vital part of the retreats we do a couple times a year and your hard work and generosity are most appreciated. We could not do all that we do without help from people like you.

Thank you once again.

Together in Christ,

Christine Geiges-Krey
